

# ROGASCH COTTAGE EXPERIENCES

**Vineyard and micro-winery tour** - You won't need to venture far to gain a sense of life in a wine region, host Scott and Paws (the dog) will drive you through their organic vineyards in an ATV Polaris followed by a tasting of their latest vintages at the on-site micro winery.

(Charges apply – 1.5 hours)

**Picnic by the creek** – Just a few minutes walk (or quick Polaris ride) will have you down by the creek and immersed in iconic Australian sights - expansive skies, gum trees, blond grasses – relax on a comfy picnic rug and cushions, crack a bottle of rosé and get stuck into a generous platter of local cheeses, artisan breads, smallgoods, seasonal fruits & nuts, freshly made dips and locally made fine chocolate.

(\$250 – feeds and drinks four hungry guests)

**Romance package** - What better place to get close and cosy than surrounded by the romance of wine country. Whether you're celebrating a birthday, anniversary or thinking of popping THE question, we can help make the occasion extra special. Flowers on arrival, sunset picnic platter with all the trimmings and a bottle of local sparkling will set the mood, the rest is up to you! (\$200 - platter feeds two guests)

**Fireside supper** – Cosy up around a campfire by the creek, with comfy blankets on laps, house fortified wine in hand and hot chocolates for the kids, you'll toast marshmallows over the fire and experience the simple joys in life. There's plenty of star gazing to be awed by too in this big sky country! (\$40 – for four guests)

**Wood fired pizza making** – Kids love to cook and the on-site wood fired oven makes it so easy to whip up a fun dinner for the family. Scott & Jan will take the kids to explore the 'outdoor kitchen' in the nearby community garden where they'll pick ingredients for pizza toppings, make the dough and top the pizzas, ready for the oven. 20 minutes later dinner is served!

(\$60 – for two guests – 1.5 hours)

**Go backstage** – Get off the well beaten wine paths and allow Scott to show you his turf. Visit with two Barossa's winemakers, taste from barrel, bottle or tank. Talk real wine stuff, or real-life stuff. Finish with a tasting at Forage Supply Co, Scott's own micro-winery. It's a chance to get to know the real Barossa.

(cost subject to availability – half day, transport not included)

## Seasonal Experiences

**Harvest grape picking** – When the stars align and it's time to pick grapes we'd love for you to join us. Spend the day picking our best fruit from our lovingly-tended organic vineyards, we'll keep you hydrated and then feed you a well-earned delicious harvest lunch. (\$150 per person, includes lunch, all day)

**Winter walking tour** – rug up and join Craig & Jan for a hike around the nearby countryside, finish with a coffee at their favourite Barossa coffee shop. (1.5 hours)

**Included at the cottage** - When you've wine'd and dined all you can (the Barossa is a foodie's heaven) and just want to chill, we've got you covered. You'll find all you need at the cottage to feel at home, comfy and rested. We've stocked the fridge and cellar with wine, there's a BBQ and full kitchen if you feel like cooking (nearby restaurants offer take out options too). The couch is super comfy and Netflix and wifi are yours to do what you want with.

Barossa arvos are the best time to take a dip in your private plunge pool. Unwind and take in the beautiful Australian landscape from your private deck, listen out for the call of native birds and eyes open for visiting kangaroos. An easy wander down to the creek gin + tonic in hand, a few hits of the golf ball off the 'driving range' or a sundown yoga session on the lawn make for happy holiday feels.

**Local dining** - There are plenty of cafés just 5 minutes walk from the cottage where you can get top notch avo on toast, eggs benedict and excellent coffee, just ask us our faves. Award winning restaurants FermentAsian and Vino Lokal are within an easy walk, as well as Musque Wine Bar (over 300 gins on offer) and Z-Wines (a hit cellar door for those travelling with kids). Nearby supermarkets supply local produce and artisan goods too.

**Babysitting** - Jan is a fairy god mother to many here in Barossa and will happily look after your children in the family home while you head out for dinner or take a rest in the cottage. (Charges apply)
